

CEREAL CONVEYORS

Gentle Clean Reliable Conveying

Cablevey Cereal Conveyor Systems are suitable for moving all sorts of food batch ingredients and finished cereals. No matter what form your materials are in, we can move them in a gentle and sanitary manner. And our food conveyors can be engineered to service any part of the production process from mix to cook/bake to packaging.

Our cable and tube conveyor systems are modularly designed to offer flexibility for wide-ranging applications. Component parts come in a variety of sizes, tube diameters and tube materials.

// ***After installing the Cablevey systems we've noticed a reduction in the amount of dust in the air. And less product waste on the floor.***

The Cablevey's are also easy to clean. //
